

The Kelsall Village Community
NEEDS YOUR GENEROSITY!

**AND NEEDS YOUR HELP
TO RAISE £130,000 TO
BUILD AND EQUIP THE
WELLBEING HUB**

The results of the recent survey were overwhelmingly in favour of the project.

We are now asking you to buy £100 Bonds which will be repaid as our fundraising bears fruit.

The rest of this leaflet explains why we are asking you to do this and how you can do it.

PLANNING PERMISSION GRANTED

The planning application for the development of which the Medical Centre forms part has been approved. Construction is planned to start in April 2019.

This is very good news. What few people know is that the current surgery is 23% of the size recommended by the NHS for a patient list such as Kelsall's. With such severe space constraints there is very little that the Practice can do to enhance and improve the service the doctors can provide. The new surgery will have eight consulting rooms compared with the four currently available for the doctors and nurses.

The new surgery will be the first step along the way to a wider range of services and creates the potential for much better access to GP services.

TIME to DONATE or BUY a BOND

And it will include the Wellbeing Hub providing that the PPG can raise, by the end of April, the £130,000 needed to build it. So far we have raised over £26,000 since the campaign was launched early in November. The key to the Hub going ahead is the sale of Bonds described in the leaflet that has been delivered to every house in Kelsall.

At least another 800 Bonds need to be bought by the end of April. So far, fewer than 100 have been bought. To buy a bond is only the equivalent of £2 a week for a year.

Donations are easy to make **on line** (preferred) by going to www.kelsallppg.com and clicking on the MyDonate button or by **BACS** to Kelsall PPG, sort code 20-51-08, account number 43443957 giving your name as the reference, or by **cheque** made out to KelsallPPG and sent to 87 Old Coach Road, Kelsall, Tarporley CW6 0RA
