\*\*A webpage with details about how the CIL money can be spent is available here:

<https://www.cheshirewestandchester.gov.uk/residents/planning-and-building-control/community-infrastructure-levy/neighbourhood-portion.aspx>

Broadly, the neighbourhood portion of CIL can be spent on:

- (a) the provision, improvement, replacement, operation or maintenance of infrastructure; or
- (b) anything else that is concerned with addressing the demands that development places on an area.

Infrastructure is defined as:

- Social infrastructure: e.g. art and culture, sports halls, education, health, social care, emergency services, community centres, village halls
- Physical infrastructure: e.g. pavements, cycleways, flood defences, highways, transport links
- Green infrastructure: e.g. play areas, public open space, woodlands

Please note that Parishes/towns can use Section 106 money and CIL money on the same project in the local community if the wording within the specific Section 106 agreement allows it.
